WHAT MAKES A
BAILEY *so unique?*

ALU-TECH BODYSHELL CONSTRUCTION...
improves resistance to the elements and increases durability and longevity of the vehicle.

THERMAL INSULATION
Our caravans achieve the highest classification of **thermal insulation** (grade III) in cold chamber testing, making them genuine four-season vehicles.

BRITISH AND EUROPEAN HEALTH AND SAFETY STANDARDS
All our caravans comply with current **British and European Health and Safety standards** to provide you with the peace of mind knowing everything is legal and safe.

PRE-WIRED FOR MOTOR MOVER FITMENT...
for ease of installation, of this popular retailer fit accessory.

OUR CENTRAL FLOOR MOUNTED BATTERY BOX...
improves vehicle stability and frees up bed box storage space.

PRE-BALANCED ALLOY WHEELS AND BESPOKE CARAVAN TYRES
Super safe wheel assemblies, including **pre-balanced alloy wheels** and **bespoke caravan tyres**, provide you with enhanced peace of mind when on your travels.

OPENING FRONT VERTICAL SKYLIGHT...
floods the caravan with natural light as well being a source of extra ventilation.

GRP CLOAKED OUTER SKIN...
provides greater impact resistance and superior thermal performance.

HEATING AND WATER SYSTEMS...
Market leading Truma (range specific) or Alde (range specific) **heating and water systems** combined with market leading Alu-Tech insulation to keep you comfortable and warm whatever the weather.

OUR CENTRALLY MOUNTED GAS LOCKER...
improves vehicle stability and easy access to the bottles.

A CARAVAN FOR
everyone

Our handy comparison table helps you choose the right model, so that you can enjoy your holiday, your way!

 **DISCOVERY**

 **PHOENIX**

 **UNICORN**
BLACK EDITION

Our standard-width caravans make ingenious use of every inch of space to create contemporary comforts with lots of practical touches too. We have the Discovery for the individual in you, the Phoenix is designed for everyone who enjoys the freedom of being able to explore, while Unicorn Black Edition is our premium range for the true caravan enthusiast.

YOUR **DISCOVERY**
your individuality...

Dare to be different with the Bailey Discovery – a caravan that is as individual as you are. The Discovery lets you escape the day-to-day and explore new worlds to create free time you'll treasure.

The smaller but perfectly formed dimensions of the Discovery are available in three layouts and can sleep up to four people. Offering the lightest weights in the Bailey portfolio, the Discovery can be towed by a wide range of tow vehicles so it's ideal for going a little off the beaten track. Plus, you'll still enjoy all the comforts and amenities that Bailey are well-known for.

When you arrive, the optional exclusive PRIMA wrap-around air awning adds a huge amount of extra room, bringing the outdoor indoors and creating the perfect setting for another unique holiday. Enjoy true freedom and discover your individuality.

UNICORN

BLACK EDITION

your passion...

Honed and refined, the Unicorn Black Edition takes a classic, established range and elevates it to greater heights of comfort and style. It provides a choice of seven considered layouts, on both single and twin axles with sleeping for two to four people - making it perfect for couples and families alike.

With a host of style refinements from bold Black Edition external graphics to the enhanced soft furnishings, upgraded kitchens and comfortable lounges, you really can get the most out of this luxurious range.

The limited edition Unicorn Black is the premium all-rounder you've been waiting for, turning your passion into our innovation.

PEGASUS
GRANDE

ALICANTO
GRANDE

Our wider, 8-foot caravans let you pack even more into every journey. With the Pegasus Grande and the new Alicanto Grande, you'll get to enjoy the freedom of the open road, plus you'll have that extra space to stretch out and unwind when you arrive. These generous and airy caravans are ideal for parking up at your very favourite destination and using as a home-from-home whenever the mood takes you.

YOUR

**PEGASUS
GRANDE**

your space...

Holidays are all about exploring the wide-open spaces and the Pegasus Grande, with an 8ft wide body, gives you more space all round.

Available in a choice of six dynamic layouts, sleeping up to four or six people, the Pegasus Grande is the perfect range for those who are looking for more space.

With single and twin axle layouts on offer, the Pegasus Grande is suitable for both touring or seasonal use, enabling you to make the most out of your home from home. These special caravans possess a host of exterior and interior features. The high level of specification will make your home in them as relaxing as possible, as you explore your surroundings.

YOUR

your everything...

Sometimes you'll want the very best. So we took all of our premium fixtures and fittings and designed a brand-new caravan around them. The result? An 8ft wide body with everything you need right at hand: the all new Alicanto Grande.

Available in three different layouts with more interior space, including both single and twin axle options that allows for up to four people to sleep. From the enhanced seating and sleeping to the tasteful L-shaped feature kitchens, this is every inch a caravan for connoisseurs. You'll appreciate a vast array of features included to create your ideal getaway.

Whether you'd like to explore a different landscape every time you go away or simply park up in your favourite spot and use your caravan as a home-from-home, Alicanto Grande makes everything possible.

- Aerodynamically profiled double glazed Polyplastic opening windows throughout
- Modern look Bailey branded front window with darker screen print
- Midi and mini Heki roof lights located throughout the habitation area
- Centrally mounted easy-access gas locker for enhanced stability
- Exterior 230v socket and 230v power inlet for mains hook-up
- External satellite connection point
- Truma gas BBQ point
- Status 570 telescopic directional digital television aerial
- Easy access exterior storage lockers with moulded interior liner
- ‘Metallic Bronze’ graphics scheme

ALU-TECH BODYSHELL

- Structural interlocking aluminium extrusion framework with no external fixing points and concealed awning channels on both sides
- Five part fully bonded exterior panel assembly system
- Upper body panels manufactured using superior bead application laminating technology for a stronger more consistent bond
- Upper body panels built using a timber free construction, incorporating a composite plastic internal skeleton, a high density polystyrene insulation and a GRP inner wall lining
- Upper body panels cloaked in a single sheet impact resistant GRP outer skin for extra durability
- Supplied with a 6-year transferable bodyshell integrity warranty and a 3-year transferable manufacturers components warranty*
- 4-year transferable extension to bodyshell integrity warranty (making 10 years in total) and/or 3-year transferable extension to manufacturer’s warranty (making 6 years in total) available as cost options*
- EN-1645 Grade III classification for heating and thermal insulation (cold chamber tested)
- European Whole Vehicle Type Approved to be European Standard compliant and certified by the National Caravan Council

SAFETY AND SECURITY

- AL-KO ATC trailer control system
- AL-KO AKS 3004 stabiliser
- AL-KO shock absorbers
- WSL individually laser balanced wheels fitted with ‘Security’ tyres and anti-tamper WSL safety bolts
- TyrePal Tyre Pressure Monitor System (TPMS)
- Wind down floor mounted spare wheel carrier and spare wheel (steel spare wheel)
- AL-KO caravan jack
- AL-KO Secure portable wheel lock (two for twin axle models)

- TRACKER Monitor Thatcham CAT 7 approved Stolen Vehicle Recovery System (including first 3 months subscription fee)
- TRACKER PIR activated intruder alarm featuring a tilt sensor and key fob operation
- High security one-key operation throughout
- CRiS identity number anti-tamper labels attached to windows and inside gas locker
- Concealed security data chip within caravan construction
- Smoke alarm
- Carbon monoxide alarm

INTERIOR FEATURES

FURNITURE & FURNISHINGS

FURNITURE & SOFT FURNISHINGS

- Bailey ‘Mendip Ash’ furniture finish
- Wider 2-drawer front chest with slide out occasional table and soft close drawers
- Beech slat seat and bed bases with sprung hinged tops for extra comfort and ease of access
- Angled backrest and seat ventilation boards for enhanced heating efficiency
- Slatted front bed make-up system on easy-glide track
- ‘Slate Grey’ marble finish freestanding table with dedicated storage
- Vertical front skylight and rooflight surround with integral ambient and task lighting
- Dual finish ‘Cashmere’ gloss Italian design overhead curved locker doors with ‘Grey’ textured contrasting stripe
- Aircraft style overhead locker system with split level storage and domestic soft close metal hinges

- Structural locker dividers with greater load bearing capacity
- Mirrored front corner locker sections
- Premium quality black chrome locker door handles
- Premium quality chrome finish fixture and fittings
- Leatherette covered interior grab handle for ease of access in and out of the caravan (model specific)
- L-shape kitchen design with dedicated cutlery drawer
- ‘Slate Grey’ marble finish kitchen worktop laminate
- Drop down hob cover worktop in matching ‘Slate Grey’ marble finish
- Kitchen glass splashguard
- Branded Perspex kitchen splashback with chrome detailing
- Soft close kitchen drawers
- Built-in kitchen wine rack (model specific)
- ‘Slate Grey’ marble finish washroom worktop laminate with splashback upstand
- Solid domestic style washroom door with domestic metal handle
- ‘Granite Stone’ fully lined shower cubicle
- Bi-fold partition shower door for improved access
- In-shower hanging toiletry storage caddy
- Ceiling mounted pull down hanging rail on shower hood
- Countertop inset washroom hand basin with ceramic ball mixer tap
- Full width backlit washroom mirror (model specific)
- Recessed toilet roll storage shelf (model specific)
- Fixed double beds with aluminium frames and gas strut assisted opening mechanism
- Superior foam fixed bed mattress construction with memory foam top and stylish fabric covering
- Integrated curtain pelmet
- Conventional cushion construction with fully sprung knee rolled base cushions and square back rests featuring premium quality fabrics
- Curved corner back rests with removable head rests
- Full width fixed bed headboard (model specific)
- Wrap around fixed bed headboard (model specific)
- Standard ‘Farringdon’ soft furnishings with co-ordinating curtains, three curved back rests with head rests, one bolster cushion and four large square scatter cushions
- Optional ‘Portobello’ soft furnishings with co-ordinating curtains,

*Terms and conditions apply. Please visit the Vehicle Warranty Section for more information. Full specification and warranty information details can be found by visiting: www.baileyofbristol.co.uk

- three curved back rests with head rests, one bolster cushion and four large square scatter cushions
- Front corner wall-mounted storage pouches
- Textured finish durable floor vinyl
- ‘Praline’ deep pile loose fit drop in carpets
- Entrance door mat

SPACE

- Internal headroom of 1.96m (6’5”) throughout the length of the caravan
- Body width of 2.45m (8’0”)

SERVICES

ELECTRICAL SYSTEM

- Truma 100 watt solar panel
- 230v power supply with up to 6 Piano Black interior sockets
- Up to 4 USB sockets
- Two TV stations with 230v, 12v and aerial sockets
- Two TV mounting plate and one bracket (model specific)
- 12v internal lighting system including LED down-lighters and directional spotlights plus ambient over locker and floor level lighting
- 12v shower cubicle lighting
- Centrally located under floor leisure battery storage locker
- Centrally located electrical control panel
- Domestic style consumer unit with dedicated access door
- Switch mode battery charger with 20 amp output
- RCD/MCB protection for mains electric system
- Pre-wiring for motor mover (retailer fit)
- 25 metre mains connecting lead

WATER & GAS SYSTEM

- Alde Hydronic Compact 3020 programmable radiator heating system with combined water heating
 - Alde 3020 boiler for improved fuel economy
 - Dual fuel 6.4kw gas and up to 3.15kw electric power sources
 - Alde touch screen user-friendly control panel with back up battery for uninterrupted programming

- Washroom panel radiator
- Propane/Butane 30mb gas regulator mounted in gas locker compartment
- On-board 40L water tank (twin axles only)
- Whale high flow submersible pump
- Inboard rigid pipe waste plumbing system
- Exclusive Thetford C-260 cassette toilet with remote header tank
- Inboard shower unit with ceramic ball mixer tap and Ecocamel shower head

GENERAL EQUIPMENT

- Remis pleated flyscreen and blinds to principal windows
- Remis splash proof roller blind to kitchen window
- Remis 2-part pleated flyscreen and blind to vertical skylight
- Hartal pleated full length flyscreen to exterior door
- Branded DAB Radio/CD/MP3 player with USB connection point & Bluetooth capability

KITCHEN EQUIPMENT

- Dometic 10-series 153 litre electronic fridge freezer with universal handed door mechanism
- Thetford Caprice combined oven, grill and hob with electronic ignition and flame failure device
- Thetford dual fuel hob with electric hotplate and 3 gas burners
- Branded 800 watt microwave oven
- Stainless steel round kitchen sink with concealed fixings, swan-neck mixer tap, washing up bowl and drainer

OPTIONAL EXTRAS

- Optional ‘Portobello’ soft furnishings
- Bespoke caravan bedding sets to co-ordinate with caravan soft furnishings (model specific)

A LITTLE BIT ABOUT BAILEY

It's a big *family* adventure that's been going for over 70 years!

We've come a very long way since 1948 and are delighted to say that we're still a family run business. Needless to say, we're constantly investing in better ways to manufacture the caravans and motorhomes you love, so you can holiday your way, whenever you choose.

The Bailey journey began in 1948, when Martin Bailey built caravans in his garage in South Bristol. His first caravans struck a chord with holidaymakers across the UK and Bailey became a thriving family-run business.

Since those early days, we've helped tens of thousands of families get out there and create some lasting memories to treasure.

We are still run by people that are equally as passionate about helping to create the perfect holiday for you.

Through our wealth of experience in caravan production and design, we're inspiring a whole new generation of people to enjoy their holiday, their way!

gratefully
RECEIVED...

We are very proud to add this award to our collection.

“ WE JUST WANT PEOPLE TO

enjoy

CARAVAN HOLIDAYS AS MUCH AS WE DO! ”

Nick Howard.
Managing Director.

ALU-TECH MEANS YOU CAN

One of the most important developments in the recent history of leisure vehicle design happened ten years ago when Bailey introduced their patented Alu-Tech construction system. Prior to this basic leisure vehicle design had not changed for three decades and whilst it had served us well in that period it was not without its drawbacks. Consequently, Bailey asked “is there a better way?”

The result of the most comprehensive development programme the industry has ever known, Alu-Tech heralded a completely new approach to bodyshell construction. Using a unique interlocking aluminium framework to clamp the body panels together, Bailey created a shell that was so much more robust and durable than anything that had gone before.

A significant reduction in the number of external joints and fixing points along with the use of timber-free components in the upper bodyshell panels also provides greater protection against the elements. Whilst thicker, fuller insulated panels, cloaked in impact resistant GRP (Glass Reinforced Plastic) massively improves the thermal performance of the bodyshell making the caravans genuine four-season vehicles.

And when you consider that all these benefits of ownership have been achieved without a weight or cost penalty you can begin to see why the Alu-Tech construction system is so unique.

To date, 60,000 Bailey leisure vehicles have been built with this fully patented technology and are currently being used and enjoyed around the world.

1. Polystyrene core
2. Composite plastic extrusion
3. Alu-Tech rail
4. Structural fixing bracket
5. Alu-Tech rail insulation
6. GRP (glass reinforced plastic) outer and inner skin

How is Alu-Tech better?

- 1. Increased strength and durability...**
giving you greater protection against the elements to keep you comfortable, safe and secure all year round.
- 2. Improved insulation...**
keeping you warmer in the winter and cooler in the summer allowing you to holiday wherever and whenever you want.
- 3. Improved protection...**
greater resistance to the elements increases the longevity of the vehicle and provides additional peace of mind to the owner.
- 4. Lighter bodyshell...**
making Bailey caravans accessible to a wider range of drivers and making it more economic to own.
- 5. Better balanced bodyshell...**
makes the caravan inherently more stable enabling it to take even the most demanding journeys in its stride.
- 6. Cost neutral improvements...**
all of the benefits of Alu-Tech come at no extra cost to the customer.

TESTED TO THE LIMIT

On the dusty roads of Europe and Asia, the dirt roads of Australia and the snow and ice of the Arctic...

Our caravans are proven to *perform* whatever the weather.

Last year, we took two caravans and a motorhome and drove through 21 countries in 21 days covering some 5,000 miles.

#bristanbul

We are passionate about the performance of our products, which is why we go to great lengths to ensure that every aspect of their design is thoroughly evaluated before they go on sale. By concentrating on fewer but more significant new product launches we can push our vehicles harder, further and longer during the assessment process. This allows us to continually set industry performance standards.

All new ranges, for example, are subjected to cold chamber testing in temperatures as low as -15 degrees centigrade where, working with our heating system suppliers, we achieve the best possible results in thermal insulation classification.

Full structural evaluations are carried out when required through a series of accelerated life tests at the international renowned Millbrook Proving Ground. This creates conditions far in excess of what a caravan is likely to encounter in its lifetime.

In 2015 we took two Alu-Tech caravans on a 3,500-mile journey through the centre of the Australian Outback.

Simulated track testing is one thing but we believe that nothing actually beats putting your products through their paces yourself in challenging real-life situations. Which is why in 2015 we took two Alu-Tech caravans on a 3,500-mile journey through the centre of the Australian Outback. During the two-week trip they stood up to everything the elements could throw at them and proved they could hold their own in even the toughest conditions.

Buoyed by this success, in 2017, we embarked on another marathon endurance test, this time with two caravans and a motorhome on a 5,000-mile trip to Northern Finland inside the Arctic Circle. The circumstances there could not have been more different from those in the Red Centre of Australia, but

once again they took everything in their stride, proving that they are genuine 'go anywhere' and 'do anything' vehicles.

With two triumphant expeditions under our belt, last year we decided to set a third monumental durability test. Wanting to truly test our vehicles durability, we travelled relentlessly across two continents, achieving a total of 21 countries within 21 days without respite. The vehicles proved more than capable for our epic Intercontinental caravan and motorhome adventure. You can see much more at #bristanbul.

To see the UK's toughest caravans in action on these exciting expeditions, why not visit our website at www.baileyofbristol.co.uk

In 2017, we took two caravans and a motorhome on a 5,000 mile round trip to Northern Finland inside the Arctic Circle.

MANUFACTURING IN BRISTOL

We're leading the way

Our advanced chassis assembly area.

At Bailey, we are one big family. We have been building Bailey leisure vehicles here in South Bristol since 1948 and are now very much part of the local community. The majority of our employees live nearby and have been with us for a long time (average length of service is actually 12 years). As a result, our workforce possess the necessary skills and experience to successfully manufacture a complex range of caravans and motorhomes in the same plant. All full-time technicians are salaried to ensure everybody working here is focussed on quality as well as quantity.

Our on-site replenishment centre.

Whilst a product is only as good as the people behind it, it is important that they have the tools to do the work required. Consequently, over the past twenty years in particular Bailey has invested heavily in its South Liberty Lane production facility, to the extent that it is now widely regarded as one of the most advanced in Europe. Central to this was the installation of the UK's only mechanised assembly line, which improves both the speed and accuracy of the production process.

Not wishing to rest on our laurels however, we have recently taken the bold decision to completely re-develop our existing

14.5-acre site over the next five years to push UK leisure vehicle manufacturing to the next level. The relocation of our PRIMA Leisure (Bailey parts) operation to North Bristol and our Large Panel Laminating Plant (where we produce the caravan sides, ceilings and floors) to North Somerset means we have cleared the space for building work to begin. In 2016, phase one of the programme was completed with the construction of a purpose-built Replenishment Centre which allows us to house the thousands of components required to create our caravans and motorhomes under one roof.

Our Large Panel Laminating Plant has moved to North Somerset.

Our PRIMA Leisure operation is now located in North Bristol and is (we believe) the best of its kind.

WE ARE
confident...

...that with this investment, along with the continued support of our loyal workforce, Bailey caravans and motorhomes will remain a familiar sight on parks and pathways across the country for many more years to come.

PARTS AND ACCESSORIES

The home of Bailey Parts

Be *prepared* for every journey.

Once you're the proud owner of a Bailey caravan or motorhome, you'll want to add some finishing touches like an awning, bedding set or barbecue. Find everything you need at PRIMA Leisure.

Our online shop is an open door to our aftersales service, allowing you to easily find exactly what you need. Search for specific parts by vehicle make and model and browse our expanded category range on our bespoke website. You can buy online 24/7, get your items delivered or opt for click and collect at our Bristol store.

Everything you need for your caravan or motorhome is just a click away...

HOW TO BUY A BAILEY...

Closer than you think.

The next step is to find out a little bit more. We have a network of approved retailers across the country that we trust to sell our caravans. We choose to work with partners who we believe to be the best, so by visiting your nearest Bailey retailer you can be sure you'll be talking to an expert.

Experience Bailey for yourself

There you'll be able to view a wide choice of both new and pre-owned Bailey caravans*, in which you can spend time in order to decide what model best suits your needs.

The Bailey warranty

When you're buying a new Bailey, your caravan will come with all the reassurance of our manufacturer's warranty. Your caravan's bodyshell is covered with a 6-year integrity warranty, while other parts and components are covered for up to 3 years**. Whether you're new to caravanning or you're a seasoned caravanner, that gives you some excellent peace of mind when you're out on the open road.

When it comes to making the final decision, there are various finance options available to you, in order to make your purchase more affordable. Feel free to ask at your local retailer if you'd like to know more.

JOIN THE CLUB

If you're *already* an owner.

Once you've purchased a Bailey you're already part of an exclusive club. So why not go one step further and join the real thing?

The Bailey Owners Club is completely independent from Bailey of Bristol and is designed to help people get the best out of their Bailey caravan or motorhome. There are members all over the world and there's even a 'Little Bees' section for younger caravanners!

Join the club and you'll receive invitations to low-cost weekend events and rallies across the UK, often at exclusive venues. Plus discounts on longer holidays in the UK and abroad, as well as online discounts at www.primaleisure.com. You'll even have a unique chance to come and tour the Bailey factory to meet the people who created your caravan.
